Postgraduate Studies Application Form Application Fee

Application fee :	45 euro
-------------------	---------

To continue, click on the 'Pay by Credit/Debit Card' button below.
By doing so, you accept the charges as outlined above.

IMPORTANT: In general, the data that you send/receive via the Internet is not encrypted (sometimes referred to as 'unsecure'). However, when sending credit card details, it is necessary to encrypt communications to protect your information. For this reason, when you click on 'Pay by Credit/Debit Card' above, you will be connected to a secure server which enables this encryption. Once your PAC application fee has been authorised, normal transmission will resume.

If you are unable to pay by credit or debit card, you may pay by direct payment or by bank draft within 7 days. These methods of payment will incur an extra administrative fee of €5 (Total fee: €50). To pay via either of these methods, click [HERE](#).

In some cases, a user's configuration will not allow connection to a secure site. If you are having problems connecting to our secure server, you may wish to continue using the basic payment option.

To continue with this option, click on the 'Continue with PAC Application (Basic Option)' button below.
By doing so, you accept the charges as outlined above.

Best of luck with your application
